KCUJ Radio
Box 2218
Iowa City, Iowa 52244

Dear Mr. Linwood:

It is our understanding, based upon your November 3, 1983, telephone conversation with Michele Perry-Williams of my staff that the enclosed Public Notice for Radio Broadcast will be broadcast as a Paid Announcement. The public notice announces our intent to deny a Resource Conservation and Recovery Act Permit and terminate interim status for Amana Refrigeration of Amana, Iowa.

We have also enclosed a copy of the complete public notice to be published in the Newspapers of Iowa City on November 16, 1983, which will provide you with additional information.

We have also enclosed a Certification of Radio Broadcast form and self-addressed envelope. Please complete and return the form for our file. We need this form to document the fact that the Environmental Protection Agency has met its obligation to notify the public of the proposed action. Please broadcast the Public Notice as a Paid Advertisement on November 16, 1983, during your "Prime Times" hours.

Any questions regarding this letter should be directed to Joe Galbraith at (816) 374-6531. Thank you in advance for your efforts in broadcasting this notice, and completing the certification.

Sincerely yours,

Lyndell L. Harrington, P.E.
